personetruction will, beyond personetriction will, beyond personetrictions, reconstruction will, beyond personetrictions, reconstruction will, beyond personetrictions, reconstruction will, beyond personetrictions, reconstructions will, beyond the maintenance of the maintenance of the maintenance of the south will only result in their self-exclusion from all offices and power in the State and National Governments. It they by their inaction voluntarily hand over the government of their States to the blacks, theirs be the blacks alone would prove quite as good Governors as the whites asione have been. They certainly could do not worse, either for the tainly could do no worse, either for the cal power and the spoils of the Government, is the cry of this infamous party.

tors from alluding to the Declaration of country dreamed that such outrages, Independence, as if the words would such "insults to civilization," deeds and Independence, as if the words would such "insults to civilization," deeds and a warrant for the ring-leaders, and had blister their tongues. By that instrument the Colonies of Virginia, North common sense and decency alike, so ut Carolina, South Carolina and Georgia, terly shameless and brazen in their efwith zine others, declared themselves frontery, crimes as prodigious as parrito be free, sovereign and independent cide, were possible. Who would then States; and they did not lay aside their have believed that the day would come attributes of sovereignty and jindepend- in our lifetime when a Senator from one ence, when they, as States, entered into of the old Thirteen States would exult the constitutional compact of 1787. It is in his place over the prospect of having the Radical faction that has repealed the negroes for his colleagues? and that Declaration of Independence. It is it the people of the North would rejoice, that has robbed these States of that like idiots or maniacs, to see the negroes which they forced England to concede of the South invested with the power of to them, and is now making the negroes governing and making laws for the white in each of them the rulers of the white men? Or, if any one had conceived race, over the children and grand- that as possible, who could have conchildren of the men who, in 1776, sent caived it possible for a decent Southern rice to feed starving Boston; of the man to become willing to accept that the mark. countrymen of Marion and Washing. Incredible degradation, for Jear of worse

and this they avowedly do, as the Tribune in the same number admits, because, if the negroes are not made the masters in the ten Southern States, as long letter from this galiant leader in the late Confederate armies, on public affairs.

to obtain these black votes they are willing to bring upon the South irremediable ruin, and reduce the white descendants of the Englishman who who fought at Crecy and Azincount, of MILTON: the Irish who fought at the Bayne and "By force, hath overcome but half his foe." Fontenoy; of the Scotchman who fought | With "union and firm faith and firm at Fiodden and Culloden; of the Teutons accord," the South may yet who bled on a thousand fields, each of which was glorious enough to satisfy the ambition of a nation, to a

ofernal States" that plotted the ruin of se human race. The New York Herald well says: We begin to realize the evile in this country which all other countries have sperienced where the colored or inferior ce have acquired power. Insurrecs, conflicts between the races, revotions, and decline in material prospe y, ending in the destruction of coust ults of placing the balance of political sower in the hands of the ignorant masses f an inferior race. Universal equalit is a fine thing in theory, and might be racticable if nature had made all the races of mankind equal. But it has not lone so. Philosophy, history and all xperionce show there is a great differnce in the intellectual and moral character of the races, and, consequently, in helr espacity for self-government. Yet gring to form an equality against the laws of nature, between the

west and the highest types of man-dind-between the negro and the Cau-asian races—between a people who have never shown themselves capable of gov-rnment or even of emerging from barearism unaided by a civilized people and the most civilized race. What monstrous folly! What an absurd exriment! What a dangerous policy!

St. Domingo, with all its horrors; Jamaics, with all its desolation; the South American Republics with their everlast ng revolutions—all the result of eleva-ing an inferior race to hold the balance political power-afford no instruction our Radical revolutionists. They will estroy the country rather than give up

selves to the nefarious purposes of these malefactors, of all white men who do not ask to be or cannot be registered as voters, and the forcing upon juries of ingnorant negroes who are registered, is a part of the plan for compelling a trucking compliance with the despots and construction of the sense of justice is not keen enough the protect the negro at home—so Ohio rejects her equal suffage amendment. Pennsylvania, always for sale and in the market, has been enapped up by an eager purchase of the plan for compelling a trucking compliance with the despots are owing to temperance movements in the wrong party.

Settlishness dictates justice in the reconstruction of the South; but the sense of justice is not keen enough the protect the negro at home—so Ohio rejects her equal suffage amendment. J. H. WAGGENER & CO.,

Gents' Furnishing Goods, Etc. EXPLANATION: ON the first say of April inst, we told to H. A. Montgomery most of our stock of goods, and by this said disposed of all our high priced poets; but not for a moment have we ever twen up business. We have always held possion and occupied our present store. 25 Ma. in treet, in Clark's Maxble stock. Mr. stortcomposition of the Composition of the Compositio street, in Chark's Markhe slock. Mr. Montromery and the stock purchased of us to Col. Sam. P. Walker, who turned over the goods to Gen. Frank P. Armstrong, selrables, and by an arrangement made with Mr. Montgemery, we permitted the goods to be sold in our store for 12 y age or torse. We have neser made an assignment, nor do we expect to do so. We want to be placed right on the record and want our friends to understand our goulding. We are going to continue business, and sexpect to always keep a superior slock, and at air prices. Then we were forced to sein our large clock of lingh-priced goods, in order to meet hem with an entirely new, cheep and elemant stock, which we have come to true to meet hem with an entirely new, cheep and elemant stock, which we have not me we find hilly.
